Github: github.com/harshk9650

Email: harshkr2134@gmail.com

Mobile: +91-7668443965

Technical SKILLS

Programming & Algorithms: Python, C++, Java, C; Data Structures & Algorithms (OOPs, arrays, stacks, queues)

Data & Analytics: Data Analysis fundamentals, Data Exploration, Logical Reasoning

Databases: MySQL (basic SQL queries, aggregations)

Testing & Automation: Selenium WebDriver (basic), JUnit, TestNG, Apache J Meter, Appium

Soft Skills: Problem-Solving, Leadership, Adaptability, Great Communication Skills

PROJECTS

University GPT – AI Student Assistant [Github](#) Aug'25 – Present

- Identified challenges in student schedule management and fragmented academic information
- Designed an AI-assisted web application to organize timetables, reminders, and academic updates
- Improved information accessibility and student decision-making through structured workflows

Tech: HTML, CSS, JavaScript

Wine Delivery Platform – Web Application [Github](#) Nov'25 – Present

- Developed a user-centric wine delivery web application enabling fast ordering and near real-time delivery updates.
- Implemented real-time order tracking and optimized the checkout workflow to minimize user friction and drop-offs.
- Applied product-oriented problem-solving by analyzing user behavior to improve usability and conversion flow.
- **Tech Stack Used:** HTML, CSS, JavaScript, React.js, Node.js.

TRAINING

CSE Pathshala — Summer Training (C++ Programming: OOPs and DSA) Jun'25 – Jul'25

- Completed 35+ hours of structured training focused on algorithms and object-oriented
- DesignBuilt and implemented core data structures and algorithms in C++, improving problem-solving, logical thinking, and coding discipline.

CERTIFICATES

- Prompt Engineering with ChatGPT & LLMs –
- C++ Programming (OOPs & DSA) – [CSE Pathshala](#)
- Introduction to Artificial Intelligence – [Infosys|Springboard](#)
- Responsive Web Design – [Free Code Camp](#)

CO-CURRICULAR ACTIVITIES

- Judo Black Belt athlete with participation in state-level tournaments
- Organized technical events in college.
- Member of University Technical Club

EDUCATION

Lovely Professional University

Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.9**

Punjab, India

Since August 2023

Kendriya Vidyalaya Sangathan

Intermediate; **Percentage: 68**

Bulandshahr, Uttar Pradesh

Apr'22 – Mar'23

Kendriya Vidyalaya Sangathan

Matriculation; **Percentage: 79.2**

Bulandshahr, Uttar Pradesh

Apr '20 – Mar'21
